* "EAST ANAHEIM MEMORIAL MONUMENT PROJECT"

1. What is the purpose of this project?

To construct a monument to remember and honor all those who have served our country and community. It will be constructed in front of the Anaheim East Hills Community Center. Construction of this monument will provide a central location where residents can gather during special events and holidays to remember and honor those who have served our country or in some way improved the lives of people in our community. Currently the Anaheim Hills community has no such venue where citizens can meet. Rotary's presence and dedication to the community will be forever displayed on the monument.

2. How will it meet the needs of the community?

The community will now have a central place to gather for special events and holidays.

Estimated project start date Jan 2012 Estimated project completion date March, 2012
