May 31, 2016

Dear Rotarians,

Since it's inception, Rotary Cares has been a huge success with Richman families and surrounding community. Persons who wouldn't otherwise have access to basic health care needs can come by and have a variety of services provided, free of charge.

I know that the community is very appreciative to Rotary for making this event possible and looks forward to it annually.

I've been happy to reassure parents who've recently asked that the event will once again take place on June 4th, 2016.

We look forward to the Rotary Cares taking place on June 3, 2017, and for many years to come.

Sincerely,

Estella Grimm
Principal
