3. Briefly describe grant and list any changes that might have occurred (100 words or less):  
*The program functions after school for about 40 children whose families could not afford such a program. Teen mentors from the local San Dieguito Academy's AVID program, specially trained in reading strategies, act as volunteers to read, one-to-one, to the children twice a week. (AVID supports high school students on their path to college). The literacy program takes place in the PEC reading room under the management of Los Angelitos volunteers. The funds from this application will be used to purchase Spanish books for this age group. The program supports the students' home language literacy.*
4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded project:  
*Through this grant our Solana Beach ECO Club has formed a lasting relationship with the recipient of the funds, Los Angelitos. Board members from Los Angelitos and the volunteers managing the Hispanic Literacy Project gave a presentation to our club that was very well received. We continue ongoing discussions of how we can in other ways support this underserved segment of our local community that Los Angelitos manages.*
