

**District Grant Report**

Rotary Club: Yorba Linda Sunrise

Project Title: Septic Tanks for Families

Progress Report       Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Excavation preparation and installation of septic tanks for Corazon homes built in collaboration with partner Rotary clubs, providing sanitation for families.

2. How many Rotarians participated in the project? 8-10 Yorba Linda Rotarians in different roles for sanitation project, 50+ Rotarians at time of house builds.

3. What did they do? Please give at least two examples.  
Rotarians actually staked out the area suitable for excavation.  
Oversee placement of gravel;  
Install the tank;  
Install the drainage piping;  
Inspect finished work.

4. How many non-Rotarians benefited from this project? Countless many people in the community. The immediate family is healthier and not exposed to human waste. The community benefits from less waste going into an open sewer.

5. What are the expected long-term community impacts of the project?

Increased health of the entire community in Tecate district.

6. If a cooperating organization was involved, what was its role? Corazon is the principle organization that provides the tools and the local manpower, selects families based on their community service, purchases all materials. Rotarians give of their time and expertise to build homes and to help make the community safer and healthier.

**Financial Report – Be sure that Income equals Expenditures!**
