

Holiday Package Project

Equipment Required: None

Publicity: We will place stickers on each food package that is given to the families. The Club PR chairman will submit a news release and pictures to all three local/regional papers and to local web news outlets.

Rotarian Involvement: Three club work groups will be organized to carryout the different aspects of the project; the selection and purchase of the food, the sorting, packaging and stickering of the packages, and finally the distribution of the packages to the families.

Club board members will oversee the administration of the project and complete District Simplified Grant Report for submission to the District. This report will be completed by Susan Montonna
