#### Exhibition quality prints.

Produce exhibition quality prints with unprecedented control with the Epson R2880 photo printer, the choice for professional and fine art photographers. With its innovative ink set, Epson UltraChrome K3™ with Vivid Magenta, this powerful printer offers an astounding color gamut for brilliant reds, blues and purples. Designed to easily deliver large-format photos worthy of gallery display, the 13-inch R2880 includes Radiance™ technology, which ensures smooth color transitions, and improved highlight and shadow detail. Its three-level black technology offers exceptional gray balance and outstanding tonal range. Achieve professional results, with the quality, control and versatility of the Epson R2880 photo printer.
