

## MONARCH BEACH SUNRISE ROTARY CLUB

The following list is an amendment to the District Simplified Grants submitted by Monarch Beach Sunrise Rotary in Nov 2012 for the Capistrano Community Mariachi Program (CCMP) Foundation:

### 1) SOCIAL EVENTS:

Monarch Beach Sunrise Rotary Club has social events where members gather for an evening to attend and support CCMP performances such as performances at the Mission San Juan Capistrano's Christmas Tree Lighting and other local performances to support these talented young students. During the year, we will have about 10 Rotarians attend these performances as audience members, a critical part of participating in the show cheering on the student's performances.

### 2) ASSIST IN THE CCMP CLASSROOM:

The Capistrano Community Mariachi Program holds classes 3 nights a week on Monday, Tuesday and Wednesday. During the year, about 6-8 Rotarians from the Monarch Beach Sunrise Rotary Club will attend a few of these classes to assist the teachers when needed.

### 3) ROTARIANS HELP SET-UP FOR CCMP PERFORMANCES:

Each year, CCMP puts on many performances throughout the Capistrano Valley. During the year, Monarch Beach Sunrise Rotary Club will have about 6-8 members assist with setting up and running 2 of these events:

- a) Relay for Life – a 24 hour event that CCMP students perform at in Dana Point
- b) Dana Point Senior Center

with Rotarians working side-by-side with the CCMP teachers and students to ensure each performance goes well.

*Students of the Capistrano Community Mariachi Program*
