Rotary Club: Monarch Beach Sunrise Rotary

Project Title: Rotary Tijuana Clinic P-2125

Progress Report       Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?  
The project has was to modify to repair the roof of a school instead of the Clinic. The expense is the same and the project remains the same. The object is to repair the roof of the building offering its use to regular education programs(children between 13-16 of age)and also offers the facility for education in health programs.
2. How many Rotarians participated in the project?  
8 Rotarians participated
3. What did they do? Please give at least two examples.  
Each Rotarian was assigned a task from getting quotes for the roof repair, to supervise the construction, delivery of the materials to the handling of the funds by personally traveling to the location to meet with the contractor. They facilitated discussion with the Directives of the school and are coordinating health programs for the children to attend regularly.
4. How many non-Rotarians benefited from this project?  
The beneficiaries are the Tijuana community at large (people from 10-25 & 25-60 years of age). About 300 people will be receiving monthly medical treatments, Triage and general consultation for health problems.
5. What are the expected long-term community impacts of the project?  
  
The second floor will be dedicated to conduct "Dental Clinic Day" "Aids awareness", health and educational seminars. Also the Tijuana Rotary will have a functional room for meetings & general Rotary business. Community impact is the collaboration between the Rotary Club, the School District and the community at large to work with these students to help them identify educational skills and healthy life.
6. If a cooperating organization was involved, what was its role?  
N/A
