Progress report Final report X

Dfc YWf8 YgWjdhcb`

1. Describe the project. What was done, when, and where did project activities take place? If this is a progress report, what remains to be done?

In May 2013 a golf tournament was held to raise club funds, which were to be contributed to our food pantry project due to their increased need during the summer months. Project took place in Broken Bow.

2. How many people benefited from this project? 500+

3. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met?

The food pantry's need increases during the summer with kids not attending school. The funds raised allowed the pantry to be able to provide for the increased numbers needing to be served. Food pantries not only provide food, but also other necessary items such as toilet paper and diapers.

4. How many Rotarians participated in the project? 17

5. What did they do? Please give at least two examples, not including financial support provided to the project.

Members of our club arranged a food pantry program to inform club, sought donation items for auction, created ads informing the community of our project and our goal, planned the fundraising project, and much more.

6. If a cooperating organization was involved, what was its role?

Local grocery stores were used to obtain gift certificates for the pantry donation.
