

District Grant Report

Rotary Club: Yorba Linda Sunrise Rotary Club

Project Title: Operation Soft Touch

Progress Report Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The Club has long supported the George Key School for developmentally disabled students from throughout the Placentia Yorba Linda School District. We learned the School was in need of specialized computer software and hardware that would allow these students to have a sensory experience when using computers that would enhance their learning experience. The School provide the Club with a list of specialized software and hardware items needed to do this upgrade. The Club then presented a check to the School for \$2,000 to make the purchases of the needed equipment. Using the School's purchasing power to obtain the most cost effective pricing, the School then ordered and installed the new equipment at the beginning of the current school year. These upgraded equipment is in use by many of the approximately 45 disabled students enrolled at the school, and the equipment installed will be used for many years to come and continue to support future students.

2. How many Rotarians participated in the project? Due to the fragile nature of most of the students' health, we were limited to only being allowed a few Rotarians present to make a check presentation. Additionally because of the age of the students, personal privacy rules prevented extended contact with them at the school computer labs.

3. What did they do? Please give at least two examples. Members visited with the students who were physically able to interact with Rotarians on the day of the check presentation. Staff from the School later made a presentation to the club at a breakfast meeting showing the students using the new computers.

4. How many non-Rotarians benefited from this project? There are approximately 45 students aged 5 to 21 attending the School and all of them have been able to make use of the upgraded equipment. There are dozens of teachers and student aides who have also benefited from this enhanced learning tools to improve the student's educational experiences each day.

5. What are the expected long-term community impacts of the project? These computer upgrades will be in use for many years, serving current and future students of the school. Parents of the students will also benefit from their enhanced learning experiences.

6. If a cooperating organization was involved, what was its role? Our partner was the George Key School.

Financial Report – Be sure that Income equals Expenditures!

7. Income	Amount
1. District Grant funds approved by the District	\$987.00
2. Club contribution	\$1,013.00
3. Other funding (specify)	
Total Project Income	\$2,000.00

8. Expenditures - please be specific and add lines as needed - receipts must be attached	
1. "Band Jam" Enabling devices	399.95
2. Lighted Musical devices	201.95
3. Spinning Symphony	175.95
4. Blue Tooth Speaker (3)	209.85
5. Micro light switches (3)	255.00
6. See receipts for all additional purchases	--
Total Project Expenditures	\$1958.83

9. By signing this report, I confirm that to the best of my knowledge these District Grant funds were spent only for eligible items in accordance with Trustee-approved guidelines, and that all of the information contained herein is true and accurate. Receipts for all grant-funded expenditures have been provided to the district. I also understand that all photographs submitted in connection with this report will

become the property of RI and will not be returned. I warrant that I own all rights in the photographs, including copyright, and hereby grant RI and TRF a royalty free irrevocable license to use the photographs now or at any time in the future, throughout the world in any manner it so chooses and in any medium now known or later developed. This includes the right to modify the photograph(s) as necessary in RI's sole discretion. This also includes, without limitation, use on or in the web sites, magazines, brochures, pamphlets, exhibitions and any other promotional materials of RI and TRF.
