

**District Grant Report**

Rotary Club: Laguna Beach Rotary Club  
 Project Title: Care Packages (P-3976)

Progress Report |  Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Purchase and distribute Home Care Packages of cleaning supplies and equipment to homeless persons moving from the Friendship Shelter into regular housing.

2. How many Rotarians participated in the project?

- 3 Rotarians researched and ordered supplies. 2 Rotarians coordinated with Friendship Shelter and housing administration
- COVID – 19 delayed and modified presentation to Friendship Shelter to gather together to distribute supplies and equipment. Presentation scheduled for June.

3. What did they do? Please give at least two examples.

- 3 Rotarians researched and ordered supplies. Supplies ordered online due to COVID 19 restrictions.
- 2 Rotarians coordinated with Friendship Shelter and housing administration
- COVID – 19 delayed and modified presentation to Friendship Shelter to gather together to distribute supplies and equipment.
- Items delivered directly to Friendship Administration Bldgs and sanitized. Rotarians presented gift cards and supplies.

4. How many non-Rotarians benefited from this project?

- Approximately 20 Home Care kits were created to support transitional program. Equipment distributed on sign out basis from main facilities per group locations. Grocery gift cares will support over individuals.

5. What are the expected long-term community impacts of the project?

Homeless persons who move from the Friendship Shelter into regular housing often find themselves moving into spaces that require an initial clean-up. The getting-started cost of obtaining the supplies and equipment needed, although it might appear to be modest to many of us, can be a real obstacle for those of very limited means. Under the guidance of the staff at the Friendship Shelter, the Rotary Club of Laguna Beach has developed a kit of the most needed supplied and equipment. The kits also contain a grocery store gift care to support the initial stocking-up that everyone faces when moving into a new home. It is hoped that by providing these kits to homeless persons in need, we can help to remove one obstacle to continued success at avoiding homelessness.

6. If a cooperating organization was involved, what was its role?

- Not Applicable
