Meeting Day/Time: Thursday 6:30 p.m.

PUBLIC IMAGE PLAN FOR INCREASING ROTARY AWARENESS

ANAHEIM HILLS ROTARY CLUB DISTRICT GRANT PROJECT P-406 2013-14 “OLIVE CREST HOME PROJECT

1. At the conclusion of the project, a plaque inscribed with a Rotary wheel and the name of our club - Anaheim Hills Rotary Club – will be dedicated and placed in a prominent area of the newly landscaped year, espousing the good work of Rotary. It will remain in place for many years and be viewed by many people.
2. AHRC has always had a good relationship with the local newspapers and columnists who write the community news. There is little doubt that articles replete with photographs will be in those newspapers and the Anaheim Hills and surrounding canyon area residents will see another AHRC project.
3. An article and photos will be uploaded to the public area of AHRC’s award winning website and award winning newsletter. The community and beyond will have another opportunity to see the good that Rotary does, and especially the good that comes from Anaheim Hills Rotarians, their friends and families, and our Interactors as well.
4. And, let’s not forget about working with the friends, residents and family of Olive Crest Home. They too will see how well Rotarians work together to create good in the world; and have fun doing it too.
