### **Project Description**

---

1. Briefly describe the project outcomes. What was done (in 100 words or less)? Purchased and assembled 30 bikes to match the specific needs outlined by Vista Del Camino for children including 30 helmets.

When (dates) and where (city, state and country) did project activities take place? Bikes were purchased between 11/15-22 and 11/17/22 and were delivered and assembled at Vista Del Camino in Scottsdale, Arizona on Saturday 12/9/22.

Who were the beneficiaries? Underserved children of families that are served by Vista Del Camino Community Center.

2. How many Rotarians participated in the project? 19
3. What did they do? Please give at least two examples. The Rotarians helped transport the bikes to Vista Del Camino where they assembled them and help distribute them to the children.
4. How many non-Rotarians benefited from this project? 30 plus an untold number of siblings and family members.
5. What are the expected long-term community impacts of the project? The children will be able to enjoy recreation and be able to travel to and from school safely with the use of these bikes.. They will also be able to go the store when needed. This project has been an ongoing project for a number of years and it is important to maintain our consistent support.

6. If a cooperating organization was involved, what was its role? Vista Del Camino allowed us to use their facility to assemble the bikes as well as have a person assist with assemble problem solving. Vista also helped with the distribution of the bikes and helmets.
