Commemorative Bench Program

Commemorative benches add beauty and permanence to honor a special person, the memory of a loved one or the remembrance of an event. In turn, the bench provides a useful amenity to enjoy in the parks to appreciate nature or just to rest and relax.

Commemorative Bench Donation & Recognition

A Commemorative Bench donation of \$1,500 covers the cost of a 6ft cedar colored Hampton style bench, bench pad, as well as installation. A personalized plaque will be attached to the bench.

Bench Location

Since each park, trail or facility may have different needs for benches, the Park staff will consult, and possibly visit on site, with each donor to determine the bench location.

Special Donation Conditions

Allow 3-6 months for bench installation.

The City of Gothenburg Park Staff will be responsible for the maintenance of the bench throughout its lifespan. After five years, the City of Gothenburg will not be obligated to replace the bench due to vandalism, weather, etc. Although unlikely, the City of Gothenburg, at any future date, may elect at its sole discretion to relocate, or remove the bench if necessary.

Please forward the completed application to:
