

Addendum for District Grant P-4381

The Rotary Club of Orange County Digital originally requested matching funds to send 4 students to RYLA. The amount increased from \$416.00 to \$425.00 per student. We missed the deadline to include more students in the roster.

The remaining \$814.00 will be used for our other project, the OC Higher Ground P-4380 supporting youth services.

Sincerely,

Janet Woods
