

District Grant Report

Rotary Club: Lakewood

Project Title: Act Out Theatre Project

☐ Progress Report ☒ Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The project was to provide support Act Out Theatre Company. Their mission is to provide tuition-free/low cost opportunity for at-risk and traditionally under-served children and families to discover their creative potential with their arts programming and educational training.

Unfortunately, the project didn't happen. The director, Travis Wade, was diagnosed with cancer and had to undergo months of treatment. In the meantime, they were able to hold Arts Education Workshops for local students and some of the donated funds were used for those expenses. As of February of this year, they have begun the process for a new production and the remaining funds have been applied to to this project.

As this production will be staged after the end of the current Rotary Year, I'm submitting this final report.
