To the Lakewood Rotary Club,

On behalf of the Act Out Theatre Company, we want to express our sincere gratitude for supporting our organization with your grant of \$2382.00. For your records, portions of those funds were distributed across several areas of our programming. We held arts education workshops for students in Lakewood and Long Beach for which the total cost was \$820. We have also begun our next major musical production for youth throughout Lakewood and Long Beach, for which the total current costs are \$3460.00 and the remaining Rotary Funds have been applied toward those expenses. Myself and the youth we serve across this community are deeply grateful for your support.

Warmest regards,

A handwritten signature in dark ink, appearing to read "Travis Wade", with a long horizontal flourish extending to the right.

Travis Wade—Executive Director
Act Out Theatre Company
