

**District Grant Report**

Rotary Club: Anaheim Hills

Project Title: Serving Our Community

Progress Report       Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries

Our club is serving the local community with several projects. Our focus for these projects is primarily in the area of education, but we are also using grant funds to serve our community in other areas. The two major projects under this DG project umbrella:

- STEP – Supporting Teaching and Educational Programs is our club’s signature project and one which we have completed with the support of district grant funds for 15 years. The scope of STEP projects reaches a wide array of subjects and disciplines, including science, math, the arts, and special needs. STEP awards have funded a myriad of educational necessities including books, teaching materials, student and classroom equipment, and adaptive learning equipment for special needs students
- Ronald McDonald House Meals of Love – Our members purchase, deliver, and serve meals to the guests of Ronald McDonald House in Orange.

2. How many Rotarians participated in the project?

The entire club has participated in “Serving Our Community”.

3. What did they do? Please give at least two examples.

- STEP grants are administered through a process which ensures fairness for all the schools and applicants. Program materials, including application and eligibility requirements, are sent to schools and learning institutions, and a committee of AHRC members evaluates all the applications using a point system. Award recipients (educators, principals, learning center directors) are invited to attend an AHRC meeting to present photos and videos of the project/supplies/program being used by the students and participate in Q&A sessions with club members.
- Ronald McDonald House Meals of Love – dinners for the guests of RMH are purchased, delivered, and served by club members. Interact Club members have also participated in the project.

4. How many non-Rotarians benefited from this project?

- For both STEP and the Ronald McDonald House dinners, hundreds of students and RMH guests benefit from the club’s community service.

5. What are the expected long-term community impacts of the project?

- Supporting education, helping RMH continue its mission to help families with children undergoing critical care in OC hospitals

6. If a cooperating organization was involved, what was its role? N/A

**Financial Report – Be sure that Income equals Expenditures!**

7. Income	Amount
1. District Grant funds approved by the District	3976.00
2. Club contribution	3976.00
3. Other funding (specify)	
<b>Total Project Income</b>	<b>7952.00</b>

8. Expenditures - please be specific and add lines as needed - receipts must be attached

1. Project expenses	7952.00
---------------------	---------

2.	
3.	
4.	
5.	
6.	
<b>Total Project Expenditures</b>	

9. By signing this report, I confirm that to the best of my knowledge these District Grant funds were spent only for eligible items in accordance with Trustee-approved guidelines, and that all of the information contained herein is true and accurate. Receipts for all grant-funded expenditures have been provided to the district. I also understand that all photographs submitted in connection with this report will become the property of RI and will not be returned. I warrant that I own all rights in the photographs, including copyright, and hereby grant RI and TRF a royalty free irrevocable license to use the photographs now or at any time in the future, throughout the world in any manner it so chooses and in any medium now known or later developed. This includes the right to modify the photograph(s) as necessary in RI's sole discretion. This also includes, without limitation, use on or in the web sites, magazines, brochures, pamphlets, exhibitions and any other promotional materials of RI and TRF.
