Thank you for your very generous donation of \$12,192.00 to The Dictionary Project which we received on October 7, 2024.

We are glad you and the teachers where you live believe this program to ensure the students in your community will be able to enjoy the benefits of owning a dictionary is worthwhile and important and you want to see it continue. Your support makes it possible for them to have a dictionary for their personal use that they will be able to use for a lifetime. For some children, this is the first book they have owned. You are changing their lives by giving them a dictionary. We have been able to reach 37,065,049 students, of these, 80,760 were donated by the Sun Lakes Rotary Club. Reading is the most important skill of all, it is the gateway to all our country and our economy have to offer. We are happy you have joined our efforts to encourage children to use a dictionary to develop critical thinking and problem-solving skills by finding a word in a dictionary.

With gratitude,

The Dictionary Project
