FYA Family,

The school bus door opens and the youth scurry inside to escape the cold.

"It is not just the warmth of the building, but the warmth of the staff that meets you at the door" says one of our teens. As we talk about the future and all of the unknown faces that have supported their time with us, they respond "They make me feel hopeful and want to give back. I may not have money, but maybe one day I will come back to volunteer or even work. This place is helping me navigate my struggles and maybe one day I can help someone who is in my situation and needs the hype and support."

This year we are excited to offer you the opportunity to share your name with those that stay at The Door. It can be impactful when the youths see all the different names of those that truly do care for them! The Door is kicking off our year long campaign "Sponsor a Bed" and hope to share your name!

The Door is expecting a 10-15% increase in homeless youth this year.
They say it takes a village to raise a child and we are blessed by those in ours.

Your 2023 Donor tax receipts have been mailed and emailed to you. We would appreciate updating your contact information in our system. Please email us back with your names, phone #, address, and emails.

We have some exciting plans for this year! From volunteer opportunities, Facebook live events, and fundraising; the youths at The Door will thrive!

Gratefully,

Brian Taylor - Executive Director
