☒ Progress Report ☐ Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The changes were approved by the club Board of Directors. We need to do the following changes to our Baja District Grant for the Primo Tapia School in Baja. The Secretary of Education did not approve the shade "Sunbrella roof tarp" installation because they claim this kind of roofing with the coastal winds is not safe for the children in the event that could blow down by bad weather. The Grant was originally approved for:

RYLA \$3000.00

SCHOOL PROJECT \$2500.00

TOTAL \$5,500.00

2. How many Rotarians participated in the project?

We are attending and running on Saturday June 7th the RYLA event at the Red Cross located in Tijuana.

The school project will benefit 350 students from 6-13 years of age. The RYLA project will be benefiting 75 young adults.
