

District Grant Report

Rotary Club: ROTARY CLUB OF ORANGE COUNTY LA

Project Title: BRIGHT FUTURES

☐ Progress Report ☒ Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The original goal of the project was to support community involvement and engagement activities of the Interact Club of Santa Ana High School. The scope of the project was reduced after there was an adjustment resulting in a reduction of District Designated funds.

A decision was made to increase the number of students sponsored to RYLA by 1.

In addition, the Interact Club decided to assemble Easter Baskets for youth in the community through a direct contact distribution of the baskets. The supplies were provided through donation thereby not costing additional funds to the Interact Club.

2. How many Rotarians participated in the project?

35 Rotarians participated in the project by donating to provide the matching funds necessary for the project.

3. What did they do? Please give at least two examples.

Fundraising, hands-on with the Easter basket project.

Coaching Santa Ana High School Interactors to apply and later attend RYLA

4. How many non-Rotarians benefited from this project?

25 youth recipients were given the baskets by the Interactors

5. What are the expected long-term community impacts of the project?

1) Help Interactors develop leadership skills to lead next year's Interact Club

2) Encourage Interact Club members to organize and lead a community engagement project

6. If a cooperating organization was involved, what was its role?
