1. District Grant # (WIRE TRANSFER) # P-5323
2. Name of District Grant Habitat for Humanity Work Days
3. Briefly describe the grant and list any changes that might have occurred: (100 words or less) Purchase of Paint and work days for Habitat for Humanity
4. Provide a brief of lessons learned in implementing this grant and how this will improve future grant funded projects: (100 words or less) This is a repeat project from the prior year at the request of members. This reenforces the need for projects that require hands on involvement by members. Because of economic constraints, there was a reduction in the number of houses to be completed this year. There has been some member frustration that we haven't been able to schedule work days yet. It would have been helpful if we had gathered more information in advance so that we had done a better job of managing expectations. The work days will come this summer.
