Hi Charlotte:

I need a reimbursement check made out to me for \$2433.00. This is for our District Grant payment for Ukrainian children and chaperones spending a day at Disneyland. The payment summary below indicates a payment by me of \$3245, which was charged to my credit card. Total payment charged to my credit card is \$3245-\$812 (payment to me for additional ticket)-\$2600 (District Grant)-\$165 (charged to the international budget).

If you have any questions, feel free to send them my way.

Thanks,

Herb

### Requirements for Theme Park Entry

To enter a theme park, Guests (ages 3 and older) need both valid admission and a theme park reservation for the same day and same park they want to visit. Park reservations are limited in number; and subject to the availability of park reservations allocated to park tickets as determined by Disney, and theme park capacity. Park reservations are not guaranteed. Guests with a multi-day ticket must make a park reservation for each date of their visit. Guests with a Park Hopper ticket must make a park reservation for the first theme park they wish to visit to begin their day; then they can cross over and switch between parks on the same day after 11:00 AM (subject to availability). At this time a park reservation is not required after the first park, however, reservation requirements are subject to change. The ability to visit a park is subject to the park's capacity limitations, operational hours, closures and other restrictions, and is not guaranteed. A ticket does not guarantee park entry, even on dates when a ticket is not blocked out.
