District 5440

August 7th, 2025

Enclosed is a check for your District Dedicated Funds for your approved grant. Please email me at: elkruninn@yahoo.com and enter a history log on the grant stating you have received the funds. I look forward to hearing how your project progresses in your mandatory quarterly history log updates. Once the project is completed, you will need to complete (and sign) the District Grant report form, which can be found on the district website. Then you will upload the receipts from the project and this completed form to the documents area of your grant.

Sincerely,

A handwritten signature in black ink that reads "Randy Looper". The signature is written in a cursive style.

Randy Looper

District 5440 Grant Committee
