

NOTE TO FILE – DDF ADJUSTMENT FOR DISTRICT 5320 2025-26 DISTRICT GRANTS

Date: September 2, 2025

Club Name: Irvine

Project #: P-5676

Project Title: Stop the Bleed Training

On July 18, 2025, District Governor Craig Livingston and District Foundation Chair Cisca Stellhorn provided an updated DDF list based on the funding available from The Rotary Foundation, which differed from the District's original estimate.

To manage this, rather than asking each club to resubmit their project, it was determined that the District Grants Chair (Gillian Bradshaw) (with input from each club) would upload a Note to File on the Documents tab for each project, providing the new DDF, club contribution, and total project cost.

For Irvine, the updated DDF (total for all projects) is \$7,000. The club adjusted their funding for this project as follows:

DDF: \$1,750

Club Contribution: \$1,750

Total Project Cost: \$3,500
