Grant Information (to be completed by District Grant contact)

1. District Grant # (WIRE TRANSFER) # P-5702_____
2. Name of District Grant New Slide for Ecology Park
3. Briefly describe the grant and list any changes that might have occurred: (100 words or less) **We originally submitted another project, which required cooperation from other partners. While we had verbal agreements of cooperation, the partners just never moved forward with their part so the Rotary Club could do their share of the project. After months of non-response and no action, we decided to abandon the first project and elected to replace the playground slide at Ecology Park, which had fallen into disrepair and was a safety hazard. Rotarians purchased the supplies and accessories, assembled the slide and installed it. There were 42 volunteer hours donated to complete the project.**
4. Provide a brief of lessons learned in implementing this grant and how this will improve future grant funded projects: (100 words or less) **We waited too long for our cooperating partners to do their part before realizing it was not going to happen and move on. In the future, we need to set deadlines and if they are not met, we need to be prepared to move on or take appropriate action to complete the project.**
