

NOTE TO FILE – DDF ADJUSTMENT FOR DISTRICT 5320 2025-26 DISTRICT GRANTS

Date: September 2, 2025

Club Name: Lakewood

Project #: P-5711

Project Title: Backpacks and School Supplies

On July 18, 2025, District Governor Craig Livingston and District Foundation Chair Cisca Stellhorn provided an updated DDF list based on the funding available from The Rotary Foundation, which differed from the District's original estimate.

To manage this, rather than asking each club to resubmit their project, it was determined that the District Grants Chair (Gillian Bradshaw) (with input from each club) would upload a Note to File on the Documents tab for each project, providing the new DDF, club contribution, and total project cost.

For Lakewood, the updated DDF (total for all projects) is \$3,119. For this project the club adjusted the funding as follows:

DDF: \$1,519

Club Contribution: \$1,519

Total Project Cost: \$3,038

Gillian Bradshaw
