Dear Risa,

Patriots and Paws would like to request a grant of \$2,000 from the Villa Park Rotary to be used for our Thanksgiving Dinner Fixin' Bags.

These bags will provide meals for over 250 Veterans, Active Duty and Reservists through out Southern California. Those that we serve are among the 17,000 that have already been served by us in the past.

These bags will be filled with the traditional ingredients for them to prepare for themselves and their families a traditional Thanksgiving Dinner along with a \$50 gift card for the perishable items.

Your group will be able to get involved by coming to our warehouse and filling the bags with the items that we purchase and on the giveaway days hand out these bags to these families directly.

We work with several other community groups throughout Southern California and would be honored to have you join us in huge undertaking. The entire project budget is over \$16,000 and your grant will allow us to fill these bags.

Each year we hope to grow this tradition that we have and through the community support we have been able to do for over 10 years.

Thank you again and may the hope you've given to our local heroes be reflected back to you and the Rotary.

Sincerely,

Penny Lambright
