

District Grant Report

Rotary Club: Rotary Club of Laguna Beach

Project Title: Thanksgiving Care Packages

Progress Report Final Report

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
Low-income or disadvantaged families were given a Package containing food for Thanksgiving meals for the families. Preparation for the distribution of the packages took place during the week of November 17. The packages were assembled and delivered to recipients at the Boys' & Girls' Club of Laguna Beach on Monday November 24, 2014, in time for families to plan for their holiday meals. The club used the excess funds to provide food for more than 100 "Healthy Meals" to low-income students in the Boys' & Girls' Club preschool program.
- How many Rotarians participated in the project? Over 25 Rotarians, plus spouses, 6 Laguna Beach High Interact Club Members, and 6 volunteers from the Boys' & Girls' Club participated. (See attached)
- What did they do? Please give at least two examples. Subcommittee 1 planned and ordered boxes and necessary groceries and obtained 'grocery-only' gift certificates for Ralphs (given instead of perishable turkeys); Subcommittee 2 picked up, transported and staged approximately \$2,500 worth of groceries for rapid packaging by the packaging subcommittee prior to distribution; Subcommittee 3 organized and carried out a production-line packaging to allow for packaging and package distribution on the same date; Subcommittee 4 was on hand to greet recipients, distribute packages and provide assistance to cars; Subcommittee 5 prepared and distributed press releases and photographs to area newspapers, insuring coverage of this outstanding program.
- How many non-Rotarians benefited from this project? More than 90 needy families benefitted from the complete Thanksgiving meals and approximately 100 preschoolers, representing another 30-50 families, received individual Healthy Meals during their preschool day(s).
- What are the expected long-term community impacts of the project? This program provides needed nutrition and economic support for low income families. Preschoolers were given health and nutrition otherwise potentially unavailable to them. These programs affirm the Laguna Beach Rotary Club's commitment to the local community and its needs.
- If a cooperating organization was involved, what was its role? N/A.

Enjoy the Holidays

from President Phil Owens

Greetings Rotarians,

I had shoulder surgery on November 21st and I'm now enjoying physical therapy. I'm feeling fine and plan on being back with you on December 5th.

From reports I've received the Holiday Care Package

project was a

real success. Many thanks to Peter Freeman, his committee, and the volunteers who picked up the groceries from Smart and Final, transported them to the Boys and Girls Club and handed them out to the folks for Thanksgiving. This year we cut down on the logistics of transporting frozen turkeys and hams by giving a Ralph's restricted gift certificate. No booze, tobacco or cash back. Thanks to Jerry Immel and Kerri Redeker who

researched and instituted this plan. It is such a great feeling to know how much our club helped those in need enjoy a great Thanksgiving.

Upcoming is our dictionary and Chrome Book project. Also in the spring our Grapes for Grads project. So, be thinking of ways to help our club with these great projects. Rick Lang took lots of photos so enjoy Rotarians at work.

Linda Saville is working on a program for our Christmas Party Friday, December 19th. Remember we will be dark on December 26th and January 2nd. Enjoy the Holidays.
