

## **YOU'RE INVITED!!!**

Dear San Clemente Sunrise Rotary Club,

Thank you for your generous contribution to the Ocean Institute Adopt-A-Class Program! The students you are sponsoring are 3<sup>rd</sup> graders from Las Palmas Elementary School in San Clemente. They will be attending their Marine Mammal Cruise program aboard the *RV Sea Explorer* on May 11<sup>th</sup>, 15<sup>th</sup> and 18<sup>th</sup>. During this two hour research cruise, students will investigate our local marine environment using a benthic grab, plankton net and marine biofacts. They will hopefully get a chance to see some marine wildlife as well including birds, sea lions, dolphins and whales. We invite you to attend this unforgettable experience.
