

VIDEO: Adopt a Mobile Food Pantry

- a Community Service Project by *your* Monarch Beach Sunrise Rotary Club

WATCH THE VIDEO ON OUR YOUTUBE CHANNEL: <https://youtu.be/aTeIsefMtZ4>

I have been meaning to email this to our club for weeks now and am finally getting around to sending this out.

This video features a new Rotary Community Service Project we did on Feb 28, 2015 for our club, a mobile pantry.

The project was funded by the Monarch Beach Sunrise Rotary Club and match grant from Rotary District 5320.

The project was a huge success, providing food to over 250 people in need at no cost to them back on Saturday, Feb 28, 2015 from 1-3pm in the Parking lot of St. Timothy's Church in Laguna Niguel.

ABOUT THE MOBILE PANTRY:

The Mobile Pantry provides fresh produce and other nutritious food directly to families and individuals in Orange County who struggle to make ends meet. The Mobile Pantry truck is a refrigerated beverage truck converted for use by Second Harvest Food Bank. With each delivery, the truck transports at least 5,000 pounds of fruit, vegetables, and dry goods directly to the communities where low-income individuals live. Monarch Beach Sunrise Rotary and Second Harvest partnered to participate in the Mobile Pantry program to distribute food directly to those in need. The food in the truck is open to all people in need and the Monarch Beach Sunrise Rotary Club identified families in need within the Dana Point area to be the recipients of the food.

ROTARIAN & INTERACT PARTICIPATION:

The members of the Monarch Beach Sunrise Rotary Club reserved the Mobile food truck and our members worked with members of the Dana Hills High School Interact Club as well as members of the local Boy Scout troops who packed bags with fresh food for the families in need. This is a "hands on" project requiring active Rotary participation. It gives our members the opportunity to get involved with the community and gets our name out to the public.
