4. Provide a brief (100 words or less) of lessons learned in implementing this grant and how this will improve future grant funded projects:

We have been doing this project each year for at least the past seven years so we have the process down pat! This, however, is the first year we have received District matching funds. Ours is not a wealthy club and most of our support goes to local causes, so our APF has not been high enough to qualify us for matching funds. We are working on this. Thank you, Larry, for making literacy an area of emphasis!
