On behalf of the bleeding disorders community, thank you for your generous donation of \$3,500 to Hemophilia Alliance of Orange County (HAOC), in support of our inaugural *Shaka Surf Fest* event, which took place on September 20 in Huntington Beach.

With the support of Rotary Placentia, HAOC was able to partner with the Maui Ola Foundation to create a unique experience for 20 children affected by bleeding disorders. They each learned to surf from an expert surfer, in safe conditions. Not only that, Rotary's generosity allowed us to provide games and beach activities, flying disc give-aways, lunch, and T-shirts for these children, their parents and siblings.

Your partnership is very important to us. With your support, we are better able to provide services to the community that allow for fun, safe activities for these children, while also providing a day for families to get together and provide one another with emotional support and guidance.

Thank you again so much for your generosity, and we hope that we can count on your support of this exciting event again next year!

Sincerely,
