

JOURNEY TO THE OCEAN

S.T.E.M. & MARINE-BASED FIELD TRIP PROGRAM

SCHOOL FIELD TRIP (BUSSING) SPONSORSHIP FORM

Interested in sponsoring school field trip bussing to the Newport Sea Base?

Orange County schools, especially those classified as Title 1 (low income), have limited to no budget for field trips let alone bussing. Help students learn about the local yet amazing resource in the Newport Sea Base (non-profit organization) and give students an opportunity, *maybe for the first time*, to explore marine science, sail boats, and sea life!

How can you help today?

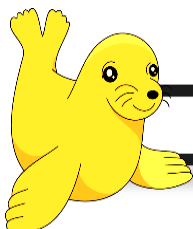

BRONZE LEVEL (1 bus, 3-4 classes, 80 students max) *requires 1 field trip day*

- ☐ Round trip bus expense (schools locally) ----- \$300
- ☐ Round trip bus expense (schools 15+ miles away) ----- \$500

SILVER LEVEL (2 busses, 6-8 classes, 160 students max) *requires 2 field trip days*

- ☐ Round trip bus expense (schools locally) ----- \$600
- ☐ Round trip bus expense (schools 15+ miles away) ----- \$1000

GOLD LEVEL (3 busses, 9-12 classes, 240 students max) *requires 3 field trip days*

- ☐ Round trip bus expense (schools locally) ----- \$900
- ☐ Round trip bus expense (schools 15+ miles away) ----- \$1500

LIKE TO INCREASE YOUR DONATION? CREATE YOUR OWN SPONSORSHIP LEVEL!

I would like to donate ----- \$ _____ ?

For all levels, you can designate your sponsorship for a specific school or allow Newport Sea Base to select a school to sponsor on your behalf. Bussing costs listed above may vary depending on school location, number of students participating, and number of trips to NSB required to provide the field trip for a certain number of students (given that NSB can only serve 80 students max per field trip day).
