

Palmyra Campus Beautification Day

Saturday, April 23rd

8:00 – 12:00 pm

Have you heard....

The Orange Rotary Club has donated a new Playground for our Kindergarten play yard! They have also donated new benches for the front of the school! If everything goes according to plan, we should have the new products installed by mid-April.

Our Palmyra PTA has also raised money to make improvements to the Kindergarten play yard and the front of the school. The PTA is donating money for sod and plants to be installed on Campus Beautification Day.

We need your help! Please join Palmyra parents, staff members and members of the Orange Rotary Club for our Campus Beautification Day on April 23rd. We will be planting, painting, and cleaning to really make our school shine!
