## Sostenibilidad

### PROYECTOS HUMANITARIOS

#### Planificación del proyecto

##### Describe las necesidades de la comunidad que abordará el proyecto.

Difficulties in school coexistence among some students in groups #4 and #5 of the sixth, seventh, eighth, and ninth grades of the Ciudadela del Sur Educational Institution, at its headquarters, with 280 targeted students.

##### ¿Qué proceso se siguió para determinar estas necesidades?

The first assessment was verbally made when finishing ReciCRAI Global Grant, realizing coexistence problematics at the Central Headquarter (2020). After, a coexistence survey was implemented by the school in 2021 and 2022 as internal strategy of improvement. It was shared to Rotary by request. Thirdly, an interview to the Principal let us recognize the main needs of the school (2023) related to conflict resolution and environmental awareness in the Central Headquarter (file attached). From this point, Rotary applied a new survey looking for possible reasons of conflict in order to create Empathetic, by the use of Google Forms and Excel to collect data (environmental awareness is a smaller project that is running by Rotary too). Finally, a meeting with teachers and the Principal let polish possible doubts about needs and is written in a file attached too.

##### ¿Cómo participaron los integrantes de la comunidad beneficiaria en la búsqueda de soluciones?

In-person meeting of teachers and directors, virtual surveys, interviews to students and parents.

##### ¿Qué participación tuvieron los integrantes de la comunidad local en la planificación del proyecto?

They actively participated when giving their opinion in interviews and surveys that built the essence of this project.

To the best of our knowledge and belief, all relationships between grant committee members, district officers, and other members of the sponsor clubs or districts and any scholarship recipients, cooperating organizations, project vendors, or other individuals or organizations that will benefit from the grant have been disclosed in this application. Except as disclosed here, neither we nor any person with whom we have or had a personal or business relationship will benefit or intends to benefit from Rotary Foundation grant funds or have any interest that may represent a potential conflicting interest. A conflict of interest occurs when someone is in a position to make or influence a decision about a grant or scholarship that could benefit them, their family, their business, or an entity in which they serve in a paid or voluntary leadership or advisory position.
