

# Cambodia Literacy Integrative Project

## CLIP 4 (GG)

A Rotary Foundation Global Grant Application

### The Problem

After the Khmer Rouge genocide of the educated in the late 1970s Cambodia continues to rebuild its education system. Previous CLIP (1-2-3) projects have created a resource bank and continues to expand its reach via social media platforms. We need to expand the reach and promote the availability and uses of these resources.

### Let's Collaborate

Our Rotary District strongly encourages clubs to collaborate financially to address problems and leverage funds to be able to execute larger projects with greater impact.
