

US, French & Mexican Rotary Clubs International Project

2014 / 2015

Larry Hersh, Jim McCormick, Jean Villeval

Rotary International Grants

CONCERNS 2 OUT OF 6 AREAS OF FOCUS OF ROTARY

- FIGHT DISEASE
 - Improve and expand access to low-cost and free health care in underdeveloped areas.
 - SAVE MOTHERS AND CHILDREN
 - Improve access to essential medical services, and support trained health care providers for mothers and their children.
- 

Who – Target Recipients – Mexican Children

- 5% of children have *neurological disorders* such as Spasticity, Dystonia, Hypotonia, Downs Syndrome, Attention Deficit Disorder (ADD), etc.
- Mainly due to lack of medical attention to the mother
- 2/3 of the families with little to no ability to pay
- The project target: 6'000 children treated by a Foundation including 1'000 placed, abandoned or orphans with problems, sheltered by Social Services Agency
- [Clinic Video](#)

Mariana
